OTTERBOX FULL LINE CATALOG 2006

never out of its element >>

Otter
BOX™

OTTERBOX HISTORY>>

Founded in 1996, Otter Products, LLC. combines customer feedback, experience and creativity to produce the most rugged cases on the planet…

Never out of it's element

Curt Richardson, CEO of Otter Products, focuses on providing innovative solutions for everyday life. With three decades experience in manufacturing, Richardson demonstrates the importance of leadership, honesty and hard work. Listening to needs and quickly adapting to changing markets has proven a successful tactic.

Built upon the concept of a "box-like," rugged case for storing valuables, the OtterBox is an ideal solution for any adventure—hiking, biking, diving, camping, fishing, hunting, boating, kayaking, traveling, swimming and more.

OtterBox works with companies such as Apple, HP™ and Fujitsu™ to provide optimal protection solutions for iPods, PDAs and PCs, expanding into the exciting world of technology to offer unsurpassed waterproof, drop resistant cases.

Branching into other markets, Otter Products offers the Cigar Caddy a travel humidor for cigar enthusiasts as well as the Zippo Cargo Case, the only Department of Transportation approved carrying case for Zippo lighters aboard airplanes.

The company's desire to experiment with new ideas gives customers a dynamic product selection. Additionally, a 100% quality guarantee emphasizes a commitment to customer satisfaction.

As an industry leader, Otter Products takes the idea of a "protective case" to the next level. With product lines that compliment emerging technologies and protect valuables, customers can find the ideal solution to fit their needs.

WARRANTY>>

Otter Products, LLC. products come with an Unconditional Lifetime Warranty. Warranty includes replacement of the case only. Otter Products cannot be held liable for damage to personal property due to misuse or improper care and maintenance of case and o-ring seals. Otter Products' warranty does not, under any circumstance, cover the replacement or cost of any electronic device or personal property inside or outside of the case.

If you have any questions regarding the warranty, call us at:

(888) 695-8820

or email us at:

customerservice@otterbox.com

CARE & MAINTENANCE>>

Make sure that your case stays water tight: On all Otter Products always keep the main gray gaskets clean and free from sand, dust, dirt or other contaminants.
Contamination can lead to the leaking of the case, damage to the sealing surfaces, and make any warranty null and void.
Cleaning Care: Clean main gray gasket using a cotton swab to remove any sand, dirt, dust or other contaminants.

TABLE OF CONTENTS>>
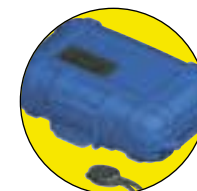

OTTERBOX 1900>> compact, expandable PDA protection>>

Layered foam

HUMIDIFICATION>>

Cigar Caddy is completely airtight. **Do not over-humidify your cigars.** To humidify, add a few drops of fluid: either propylene glycol mix or distilled water is recommended. If cigars are properly humidified when placed in the case, you may not need to immediately add fluid to humidification device.

No humidification device provided in the 2-stick Cigar Caddy.
